

LUXURY CATERED CHALETs IN VERBIER & NENDAZ

CHALET BISSE BLUE

Nendaz, 4 Valleys, Switzerland

CHALET OVERVIEW

This luxurious free-standing chalet has been beautifully built and boasts spectacular views across the Rhone Valley. The chalet is finished to a very high standard and benefits from having a huge terrace and sauna.

DESCRIPTION

Chalet Bisse Bleu is a great addition to our portfolio of Nendaz Chalets. This Chalet has been sympathetically constructed of local wood, stone and local materials, providing a traditional rustic feel, whilst combining a modern high-tech interior.

Upon entering the Chalet on the ground floor, you will find a ski/boot store room, bunk guestroom, double bedroom and large Sauna. The real beauty of this chalet is evident on the middle floor, with open-plan spaces and large floor-to-ceiling windows with stunning panoramic views. The large wrap-around balcony is the ideal spot to relax after a day on the slopes, or even for those non-skiers in the group to drink in the scenery and sun. The top floor of the chalet boasts the master double bedroom with free-standing roll-top bath. The final guestroom is a twin room.
