# THE CHALET

This stylish chalet was completed in 2017 and is expertly arranged over three floors, with modern chic furniture effortlessly blending with traditional alpine wood typical of Savoyard chalets. The main entrance is on the top floor of the Chalet, which takes you through the hallway into a large living space, complete with log fire and home cinema system. The double height ceilings and sliding balcony doors lets the natural light pour in, allowing you to enjoy the stunning views.

The elegantly designed staircase leads to the middle floor, with a modern Bulthaup designer kitchen and dining area. Full height sliding doors lead out to the south facing terrace, with hot-tub and views to the mountain beyond. The middle floor also contains the first of four double/twin bedrooms, with a small balcony, en-suite bathroom and walk-in shower.

The lower floor is home to the remaining three bedrooms. There is one double/twin bedroom with a small terrace leading to the landscaped garden. This room has an en-suite bathroom with double basins, toilet and luxury bath. The other two bedrooms on this floor also have en-suite bathrooms, both with showers and toilets. One has direct access to the garden.

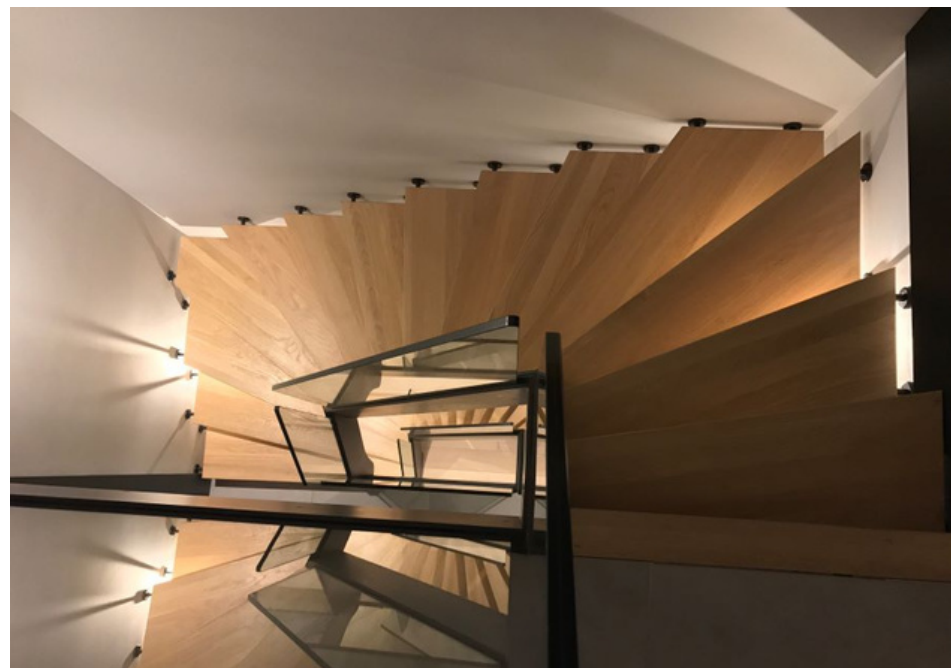

The chalet also features a ski room with heated boot warmers and a garage.
