THE CHALET

Chalet Les Pleiades is a lovely newly renovated apartment sleeping up to 14 guests, conveniently located in a peaceful area just a stone's-throw away from the vibrant Place Centrale. Beautifully finished to a high standard, you'll find a stylish, light-filled and modern interior with a healthy dose of cosy-factor.

As you enter, light floods in and creates a spacious feel – enhanced by crisp white walls and light wood. Sink into the statement velvet sofa and admire the gorgeous snowy views through the floor-to-ceiling windows or take a seat at the dining table under subdued pendant lighting to enjoy a dinner whipped-up by your personal chef. This really is the heart of the home, with the open-plan design making it the ideal spot in which to entertain or unwind.

.There's also a separate chill-out room with breakfast nook off the main living space, where you can retreat with a good book after skiing.

The six comfortable bedrooms have all been carefully designed, with four twin/doubles offering polished en-suite facilities, and a further two bedrooms featuring bunk beds which are ideal for children.

Chalet Les Pleiades also boasts two indoor parking spaces, and a local bus stop just 60m away dropping you directly to the ski lifts at Médran in minutes. With our catered option, a driver service is also included, which runs daily from 08:00 until midnight
